

VALUE STAFF THROUGH TRAINING

Workforce training and development shows your employees that you value them enough to invest in them. It builds a sense of involvement, boosts morale, and improves staff retention.

IMPROVED PERFORMANCE

Developing the skills of your workforce will result in improved performance and productivity overall! That means a positive impact on your bottom line.

LANCASTER COUNTY
CAREER & TECHNOLOGY CENTER

MISSION

Prepare people for skilled, innovative
and productive careers.

VISION

The Lancaster County Career & Technology Center is a full service career and technical school dedicated to preparing high school students and adults for careers in the new economy. LCCTC is best among its class and strives to meet the highest standards of quality instruction.

WORKFORCE TRAINING

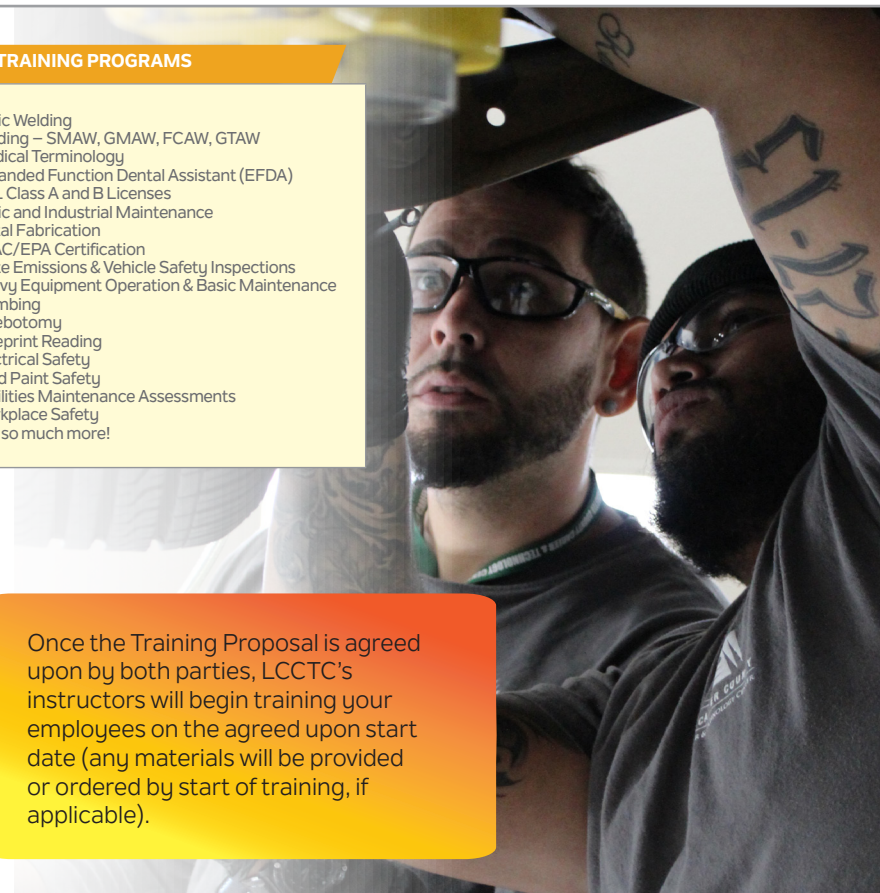

PROGRAM DESCRIPTION

We will work with the experienced instructors at the Lancaster County CTC to bring your training needs to life and provide your employees with exceptional hands-on instruction. Our instructors are highly-trained and incredibly qualified to train your employees in all areas.

In addition to our programs, we can also develop trainings to meet your specific needs, such as forklift and other industrial equipment operation.

TRAINING PROGRAMS

- Basic Welding
- Welding – SMAW, GMAW, FCAW, GTAW
- Medical Terminology
- Expanded Function Dental Assistant (EFDA)
- CDL Class A and B Licenses
- Basic and Industrial Maintenance
- Metal Fabrication
- HVAC/EPA Certification
- State Emissions & Vehicle Safety Inspections
- Heavy Equipment Operation & Basic Maintenance
- Plumbing
- Phlebotomy
- Blueprint Reading
- Electrical Safety
- Lead Paint Safety
- Facilities Maintenance Assessments
- Workplace Safety
- and so much more!

INTERESTED IN WORKING WITH THE LCCTC?

HERE'S WHAT THE PROCESS WILL LOOK LIKE:

Contact us and schedule a meeting for LCCTC to come out and tour your facilities and discuss your business' needs.

LCCTC will draft a Training Proposal, including both a curriculum and pricing outline, and send it to you for review.

Once the Training Proposal is agreed upon by both parties, LCCTC's instructors will begin training your employees on the agreed upon start date (any materials will be provided or ordered by start of training, if applicable).
