Parents and CTC students are able to access attendance, grades, progress reports, report cards, and schedule information using the Parent Portal.

- Complete the parent Portal Permission form that was sent home with your student.
- To access the Parent Portal go to [www.lancasterctc.edu](http://www.lancasterctc.edu). Scroll to the bottom of the page and click the Parent Portal link or skip to the next step to access the portal directly.
The other option is to access the Parent Portal directly at https://classmate.classlink.us/pp/lancaster/

- At the Parent Portal Home Page, click the Register Now button

- Enter your information on the screen below and click the Submit button. **BE SURE THE EMAIL ADDRESS YOU ENTER IS THE SAME ONE YOU LISTED ON THE PARENT PORTAL PERMISSION FORM.** FYI, there are no requirements on username or password regarding number of characters, types of characters, etc.

- After successfully registering on the portal, please log in. At this time, you are able to configure alerts to let you know when your child is absent or tardy, when your child’s marking period grade falls below a certain percentage, or if your student has been given an assignment.
To configure alerts, click the down-pointing triangle next to Welcome (your name) in the upper right-hand corner of the screen. Choose Configure Alerts and you will see the screen below. Choose which alerts you would like to receive and click on Save changes. At this time, you are unable to receive Discipline Alerts. Therefore, please disregard this section of the Email Alert Configuration screen.
