MISSION STATEMENT

Prepare people for skilled, innovative and productive careers.

ABOUT Lancaster County CTC

Lancaster County CTC is one of the largest technical schools operating in the Commonwealth of Pennsylvania. The school features state-of-the-art training technology and first class training facilities. Our system is unique as a county-wide system because we operate from five separate campus locations under one administration with each campus offering specialty centers. All programs are approved by the PA Department of Education (PDE) and reflect the employment needs of the Greater Lancaster County Region. In addition, the Lancaster County CTC is accredited by the Commission of the Council on Occupational Education (COE). Lancaster County CTC offers specialized associate degrees.

At Lancaster County CTC, the focus is on education and support for our students. We work hard to keep our institution recognized as a valued community resource directed at all facets of career and workforce development. We provide a variety of educational opportunities and avenues open to secondary students and adults. We encourage participation in student organizations and offer educational and career counseling, placement and financial assistance. One area the school is particularly proud of is the creation of the Lancaster County Career and Technology Foundation. To date, the Foundation has generated over three million dollars in funds to support a variety of needs, programs and scholarships.

All programs at the Lancaster County CTC are structured and designed from the advice of business and industry advisory committees. Occupational Advisory Committees (OAC) identify the knowledge and skill levels necessary to be successful on the job. Our faculty uses this information to continually update the curriculum, equipment and software to enhance the employability and upward mobility of our graduates. Through our industry-driven curricula, students are challenged to reach their full potential and to be prepared for new and changing technologies. Lancaster County CTC faculty members are well qualified in their respective fields and are dedicated to quality instruction. The faculty and staff are committed to education as a lifelong learning process.

National Occupational Competency Testing Institute (NOCTI)

NOCTI is a leading provider of high-quality technical competency assessment products and services for secondary and post-secondary educational institutions in the United States and around the world.

NOCTI is the largest provider of industry-based credentials and partner industry certifications for career and technical education (CTE) programs across the nation. Whether using assessments to meet Perkins accountability requirements, to guide data-driven instructional improvement, or to assist with teacher evaluation systems, NOCTI provides a credible solution through its validated and reliable technical skill assessment.

NOCTI has worked closely with the National College Credit Recommendation Service (NCCRS) to evaluate the rigor of the NOCTI credentials, and translate the content into college credit equivalencies.

As a result, all NOCTI Job Ready and Pathway multiple-choice assessments are eligible for college credit recommendations. Credits range from one to six credits per assessment. NOCTI has also collaborated with Excelsior College to offer students the option to obtain an official college transcript.

Students meeting a 70% benchmark on a NOCTI multiple-choice credential are eligible to receive the College Credit Recommendation Report. This report is automatically generated as part of the NOCTI score report package. Not only can this report be a valuable component of a student's portfolio, it can also be presented at any of the 1500+ cooperating colleges and universities for college credit consideration.

Lancaster County CTC conducts the NOCTI pre-test in the beginning of December with the final assessment occurring in the spring. The test scores on the following pages are broken out by campus:

ENROLLMENT DATA Percent of High School Seniors Attending LCCTC 2010-11 to 2016-17

2016-17 Post-Graduation Plans

LCCTC had 963 program completers (secondary & adult students in full day and senior only programs) in the 2016-17 school year. Of the 940 senior and adult graduates who filled out the survey, 595 (63%) responded yes to being employed. Of those 320 employed and not attending college or military, 148 (46%) reported being employed in their field. 226 students (24%) reported not yet employed with no current plans to attend post-secondary education or military service. *This information is collected in May, prior to the time some of our students are able to obtain employment due to not yet having the certifications and high school diploma required for those positions.

Of the 940 senior and adult graduates who filled out the survey, 343 (36%) responded yes to attending post-secondary education after our programs. Most of the respondents had a school chosen (319), with the remainder not yet decided.

The majority of our 2016-17 college bound students will attend:

HACC	78	LCCTC Post-Secondary	16
Thaddeus Stevens	45	Millersville University	14
Pennsylvania College of Health Sciences	22	YTI	13

An alphabetical list of all colleges/programs is below:
