### **Online Class, Behind the Wheel Training & Driver License Testing Center**

#### **Online Classroom**

##### **Fee: \$80**

LCCTC provides a Pennsylvania Department of Education approved Online Class. The website is available for one year at a cost of \$80. If the student needs additional training time after one year, an \$8 fee is charged. Once payment is received, students will be issued a user name and password and training can start immediately. Students who are 18 years and over and are full time students are required to have a permit.

#### **Behind the Wheel Training**

##### **Fee: \$290**

Behind the Wheel training is a six-hour course with a PA certified instructor in a dual controlled car. Eligible students must be 16 years or older and have a learner's permit or license. A 24-hour notice of cancellation is required or the student will be charged for the time and will need to schedule additional hours above the original six hours at \$50 per hour.

Students who successfully complete the Online Class and six hours of Behind the Wheel training will receive certificates which are required by most insurance companies for a reduction in insurance premiums.

The names of the Behind the Wheel enrollees who have their learner's permit will be kept on file for six months until LCCTC is given permission to begin the Behind the Wheel training.
