

EMPLOYMENT OUTLOOK

Employers value our training program and prefer LCCTC graduates! Truck driving is a high-demand industry, which is expected to grow as more and more companies transport their goods via truck.

Entry level wages average \$50,000 a year when you start as an over-the-road driver. And, we make every effort to ensure that you find gainful employment.

COLLEGE CREDITS WHILE TAKING LCCTC COURSES

Start your career and college pathway at the LCCTC. Some programs can offer college credits for accredited institutions partnered with the LCCTC while enrolled in certain secondary programs. Go to lancasterctc.edu for detailed information.

This program is approved for VA educational benefits.

MISSION

Prepare people for skilled, innovative and productive careers.

VISION

The Lancaster County Career & Technology Center is a full service career and technical school dedicated to preparing high school students and adults for careers in the new economy. LCCTC is best among its class and strives to meet the highest standards of quality instruction.
