Re: *Addendum to Emergency School Closing located in the PN Student Handbook on page 21*

Going forward, all building closures and delays will be decided in conjunction with Post-Secondary and Continuing programs. The decision will be evaluated specifically for the practical nursing program and will not necessarily align with Willow Street Secondary Campus.

Sincerely,

A handwritten signature in cursive script that reads "Lauren Mascianica".

Lauren Mascianica, MSN, RN, PMC-NE, CPN
Interim Director of Practical Nursing
