# Your Grade

# Lancaster County Career & Technology Center

### Skill Grade:

Achieving the skills taught in the lab which are directly linked to employer expectation.

See <u>Task Grid</u> for details.

## Knowledge Grade:

Few tests are given in this lab. The majority of test points are obtained by following along with PowerPoint presentations

### Daily Grade:

A score calculated every day based upon student's cooperation, attitude, attendance, resourcefulness, initiative, dependability, punctuality, cleanliness of work area/uniform, use of materials, quality of work, and safety habits.
