Dear Student and Parent/Guardian:

<https://tinyurl.com/34kmwfaf>

We want to personally thank you for selecting to attend the Lancaster County Career & Technology Center during your senior year of education. The Digital Design/Print Media program will give you an excellent technical background to begin your new career or further your education at a postsecondary school.

Dress Code:

To maintain a safe and productive environment, a dress code and strict lab rules are enforced. Hair may not touch the shoulders or obstruct your sight, if so, a hair net or some type of restraining wear would be required whenever operating machinery. Loose clothing, ties, and jewelry including necklaces or chains may not be worn in the lab area while using the machinery.

Ordering Uniforms:

Students need to comply with LCCTC uniform requirements. Students must order uniform shirts from Fully Promoted through the LCCTC website school store (www.lancasterctc.edu). **This year, our uniform color will be Indigo blue.** This will be paired with **black pants.** **Do not accidentally purchase the old maroon colors. If you are coming from Intro to Visual Communications, you will not be able to use your old maroon shirts.**

Students must purchase black pants on their own over the summer. Jeans, shorts, and capris are not permitted. Pants must be properly sized. No baggy pants are allowed due to the safety factor when working with equipment, tools, and machines. We suggest that students purchase at least two pairs of pants and five shirts including a crewneck.

We look forward to meeting your career goals next school year. If you have any further questions, you may contact us at the school at (717) 859-5100.

Sincerely,

Nate Huber
Digital Design & Print Media Instructor
