Dear Student and Parent/Guardian:

<https://tinyurl.com/2y2bdad8>

We are looking forward to the start of the 2025-2026 school year. As part of the Introduction to Culinary Careers program, students will have the opportunity to learn various tasks including baking techniques, soup and stock preparation, entree preparation, short order cooking, food service techniques, and equipment use. This program will prepare students for the full-day program as well as for post-secondary education if they decide to pursue that avenue.

This course will present many hands-on learning activities. However, academic skills such as adding and subtracting fractions, note taking, and good reading comprehension will be helpful in achieving student success.

Students entering the program must wear a clean and complete uniform every day. Uniforms need to be purchased and ready for the start of school. I recommend buying two of each article of clothing so that students can maintain a clean uniform without having to take them home to wash several times a week.

- Black Chef hat without logo: Fully Promoted
- Black bib apron: Fully Promoted
- White chef coat without logo: Fully Promoted
- Black Dickies brand pants: Fully Promoted or anywhere Dickies are sold
- Black non-slip leather shoes: anywhere these shoes are sold

See enclosed ordering information pertaining to Fully Promoted.

Finally, nail polish, artificial nails and jewelry including ear, facial, tongue, and body piercing will not be permitted and must be removed during school hours. Please do not obtain any new piercings near the start of school.

If you have any questions or concerns, please feel free to contact the office at the Lancaster County Career and Technology Center, Brownstown (717) 859-5100.

Sincerely,

Chef Tracie Gotshall
