Dear Student and Parent/Guardian:

<https://tinyurl.com/2x2et3rk>

On behalf of the Brownstown Campus of the Lancaster County Career & Technology Center, I would like to welcome you to our school and the Introduction to Health Careers Program. In this class, you will learn about the healthcare field and explore what career you would like to pursue after graduation. During your year of instruction, you will explore Health Safety, Basic Nursing Care Procedures, Professional Ethics, Legal Aspects of Health Care, and Medical Terminology and become trained in BLS CPR and basic first aid. These subjects are fundamental to all health care professions.

All books will be ordered & purchased by the CTC. Students will be required to complete their CPR certification which will also be paid for by the CTC. Please note that additional certifications may come available to the program and the student may have a cost associated with them.

Students are encouraged to participate in the student organization SkillsUSA. "SkillsUSA empowers its members to become world-class workers, leaders, and responsible American citizens. SkillsUSA improves the quality of our nation's future skilled workforce through the development of Framework skills that include personal, workplace and technical skills grounded in academics." If students choose to participate, there is a membership fee to join.

Students are expected to come to school on the first day in full uniform. Please order your uniform **NOW!** Information is enclosed on where uniforms are purchased. A CTC uniform scrub top must be the outside layer.

() Items to be purchased before the END OF JUNE:

1. Caribbean Blue Scrub Top (**online school store**)
