CAREER & TECHNOLOGY CENTER

# **LANCASTER COUNTY CAREER & TECHNOLOGY CENTER PROGRAM GUIDE**

**2026-2027**

An electronic copy of this document can be found on the Lancaster County Career & Technology website at:  
<https://lancasterctc.edu/student-services/forms-documents/>

## INTRODUCTION

The purpose of this document is to guide school counselors, parents, and students with information regarding the programs offered at the Lancaster County Career & Technology Center (LCCTC).

The LCCTC, Lancaster County school districts, and the IU13 are dedicated to providing education and training to prepare students for college and career success. We encourage you to use this Program Guide to explore the many options available to students at the LCCTC. Included are the recommended courses of study, certification options, financial obligations, and specific skill information for each program. Take the time to review the information and select a path that will fulfill your personal educational and/or work goals.

The Lancaster County Career & Technology Center does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. Career and technical education program offerings include- healthcare; public safety; consumer services; transportation, construction, advanced manufacturing, visual communications; and culinary arts. Admission criteria is available and can be found on the Lancaster County Career & Technology Center website. Inquiries may be directed to the Student Services Director and Title IX Coordinator or the Section 504 Coordinator at 1730 Hans Herr Drive, Willow Street, PA 17584 or 717-464-7050.

For information regarding the Americans with Disabilities Act (ADA), the rights of an individual with a disability, our obligations under ADA, or grievance procedures, contact the Business Manager and ADA Coordinator, 1730 Hans Herr Drive, Willow Street, PA 17584-0527. Telephone: 717-464-7050.

For inquiries regarding other nondiscriminatory policies and programs, or for information regarding services, activities, programs, and facilities that are accessible to and usable by both disabled persons and national origin minority persons who lack English language skills, contact the Student Services Director and Coordinator for Title VI, Title IX and Section 504, 1730 Hans Herr Drive, Willow Street, PA 17584. Telephone: 717-464-7050

## LANCASTER COUNTY CAREER & TECHNOLOGY CENTER STAFF

### **ADMINISTRATION**

Administrative Director	TBD
Assistant Administrative Director	Mike Moeller
Student Services Director	Karin Shipman
Supervisor of Curriculum	TBD

### **BROWNSTOWN CAMPUS**

Principal	Justin Bruhn
Assistant Principal	Mark Stuckey
School Counselor	Dr. Ben Stiles
School Counselor	Melissa Brown

### **MOUNT JOY CAMPUS**

Principal	Dr. Julie Frey
Assistant Principal	Andrew Pursell
School Counselor	Leslie Schlosser
School Counselor	Melissa Brown

### **WILLOW STREET CAMPUS**

Principal	Jeremy King
Assistant Principal	Mark McCracken
School Counselor	Ami Gallo
School Counselor	Garrett Boop

Lancaster-Lebanon Intermediate Unit 13 Staff for the  
**LANCASTER COUNTY CAREER & TECHNOLOGY CENTER**

**Heather Van Aulen**, Supervisor of Special Education

**Karen Burkhart**, Program Assistant

**Patrice Reed**, Special Education Consultant (Brownstown)

**Jaclyn McArdle**, Special Education Consultant (Mount Joy & Willow Street)

**Elizabeth Weidner**, School Psychologist (Brownstown)

**Carol Reina**, School Psychologist (Willow Street)

**Erin Lingle**, School Psychologist (Mount Joy)

**Peter Knudsen**, Social Worker (Brownstown Emotional Support & MHL & Willow Street)

**Carrie Heinsey**, Social Worker (Mount Joy & Brownstown)

**Jennifer Pfeiffer**, Job Trainer (MHL)

**Nadine Kuziemkowski**, Job Trainer (MHL)

<b>LOCATION</b>	<b>ITINERANT LEARNING SUPPORT TEACHERS</b>	<b>PARAEDUCATORS</b>
<b>BROWNSTOWN CAMPUS</b> Emotional Support Teacher Megan Martin	Jonathan Stillman Sara Barnick (MHL) Jason Harris Travis Whiteside Cara Sawyer	Elizabeth Moser Keith Vreeland Sandra Fasnacht
<b>MOUNT JOY CAMPUS</b> Emotional Support Teacher Patrick Eichelberger	Lesa Brooks Christopher Kauffman James Tallent Brian Bechtold Christopher Garchinsky	Kimberly Fasnacht Tina Gossard Mari Kay Antonucci
<b>WILLOW STREET CAMPUS</b> Emotional Support Teacher Rebecca Hawkes	Addy Dangler Patricia Barr Amanda Brooks Megan Harnish-Huaman Greta Van Arman David Moyer	Lois Geyer Sandy Kralicek Lavina Perkins

## **CHECKLIST FOR STUDENTS CONSIDERING LANCASTER COUNTY CAREER & TECHNOLOGY CENTER PROGRAMS**

The student, parent/guardian, and school counselor should investigate each program considered to evaluate the student's ability to complete the course requirements. Review the skill alignment charts found in this guide for more detailed information about each program.

Before submitting a CTC application, a student should:

- ☐ Attend the CTC presentation at the student's high school
- ☐ Meet with a high school counselor to discuss program options and results of aptitude, ability, and interest inventories.
- ☐ Review the Skill Alignment Chart(s) in this document
- ☐ Attend CTC tour(s) offered through the student's high school counseling office
- ☐ Attend CTC Open House
- ☐ Request an individual visit to programs of interest through the student's high school counseling office

### **LANCASTER COUNTY CTC - Skill Alignment Charts**

Career and Technical Education (CTE) Program Skill Alignment Charts illustrate how a student's prior academic strengths and completed coursework connect to success within a chosen CTE program. These charts help students, families, and educators understand the skills and knowledge that provide a strong foundation for technical learning—such as mathematics, science, communication, and problem-solving—and how these foundational abilities support mastery of industry-specific competencies. By mapping the relationship between prior coursework and program expectations, the charts highlight how skills developed in middle school and academic courses translate into technical proficiency, hands-on performance, and career readiness.

The benefit of these charts is that they help students make informed program choices by identifying areas where their existing strengths align with future career pathways. They also guide teachers and counselors in supporting students' transitions into CTE programs by identifying both readiness indicators and potential areas for academic reinforcement. For educators, the charts provide a structured view of how academic and technical learning intersect, ensuring that instruction builds on what students already know and can do. For employers and postsecondary partners, the charts demonstrate that CTE programs are intentionally designed to develop students along a continuum—from foundational academics to advanced technical skills—resulting in better-prepared graduates who are equipped for both employment and continued education

#### **EXCLUSION FROM THE PROTECTIVE SERVICES ACADEMY**

Our Protective Services Program is housed at the Lancaster County Public Training and Safety Center. This facility is operated by Lancaster County and is open to the public. The county reserves the right to suspend or permanently remove individuals from the building for conduct or safety reasons. This includes CTC students who attend the Protective Services Program. These decisions are made based on the county's own policies,

which are separate from the policies and procedures outlined in this handbook. Any PSA student who is permanently barred from the Lancaster County Public Training and Safety Center for conduct on county property will be removed from the Lancaster County CTC and the student will be supported in transitioning to an alternative placement determined by the sending school.

## LANCASTER COUNTY CTC - SELECTION PROCESS

1.

All submitted applications are date stamped. On-time applications must be received by January 9, 2026. Program selection is determined by the Selection Criteria and Scoring Rubric. All late applicants will be placed into a program if there is an open seat, placed on a program waitlist, or they may make an alternate program choice.

<https://lanasterctc.edu/wp-content/uploads/2025/03/Selection-Criteria-and-Scoring-Rubric.pdf>

2. Students and sending school counselors will be advised of the selection decisions for on-time applicants no later than mid-March 2026.

**2026-2027 Application-** The Lancaster County CTC application is to be completed online. To access the application please go to <https://lanasterctc.edu/home-2/apply-now/>
