

Dear Student and Parent/Guardian,

Welcome to the Introduction to Health Careers program at Willow Street Career and Technology Center. On behalf of the teachers and staff, I would like to welcome you to our school and class. I am excited to meet you and serve as your instructor as you begin exploring the healthcare field and discovering the career path you may wish to pursue after graduation.

Throughout the year, students will study a variety of topics including Health Safety, Basic Nursing Care Procedures, Professional Ethics, Legal Aspects of Healthcare, Medical Terminology, and Anatomy and Physiology. Students will also have the opportunity to become trained in BLS/CPR certification. These subjects provide the foundational knowledge and skills needed for all healthcare professions. Please note that course content and activities may be adjusted due to program requirements, restrictions, or limitations.

For safety reasons, you may only have natural nails, no acrylic or gel nails allowed.

Students are expected to come to school on August 20, 2026, the first day of school, in full uniform.

Items to be purchased before END OF JUNE:

1. Required: Blue Scrub Top (Purchased from the CTC website.)
2. Required: Black scrub pants (From the website or from a scrub store) or knee-length black skirt. Yoga, Spandex, Leggings, Cargo, Jeans etc. will NOT be accepted
3. Optional: Scrub jacket or black LCCTC sweatshirt-Outer layer of uniform must be CTC uniform in class
4. Optional: Any color long-sleeved shirts for under scrub top (May be purchased at your store of choice.)
5. Closed toed/heel shoes (with a heel height of no more than 1 ½ inches) are to be worn with your uniform. Open toe, sandals, backless shoes, moccasins, converse, Hey Dude type shoe, Uggs, and slippers are not considered appropriate attire for the health care industry and therefore are not permitted in the classroom due to safety reasons
6. Hair ties to pull hair off shoulders.

Items needed at the start of classes:

1. Notebook paper
2. Black/Blue pens
3. Colored pencils (optional) for anatomy projects
4. 3 X 5 cards- several packs- we use a lot. (Many Students like to color code their flashcards)
5. One large three-ring binder with dividers

Please note that additional certifications may become available to the program and to the student and may have an additional cost associated with them.
