

**LANCASTER COUNTY
CAREER & TECHNOLOGY
CENTER**

May 21, 2026

Dear Student:

Congratulations on being accepted to attend Lancaster County Career & Technology Center Willow Street Campus for the 2026-27 school year. I commend you for making a commitment to pursue skills that will increase your opportunities for success in the future. Our staff and administration look forward to meeting and working with you as you take this next step in your education. Our goal is to provide a sound technical education as well as prepare you to enter the workforce, pursue a post-secondary school education, or a combination of these options.

A copy of the calendar for the 2026-27 school year is enclosed in your packet. Our first day of school will be **Thursday, August 20th**. Please check with your sending school for bussing schedules and their first day of classes. Many sending schools will hold orientation programs prior to students attending the Willow Street Campus to inform them of procedures and requirements. Please plan to attend those orientation meetings if your district holds them.

Uniform requirements are included in the instructor letter, which is also enclosed. As a reminder, please order your school uniform prior to the start of school.

In conclusion, I want to wish you a safe and enjoyable summer. We are looking forward to working with you and providing a positive learning experience. Should you have any questions prior to the start of school, please call (717) 464-7050 ext. 7051.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy L. King".

Mr. Jeremy L. King
Principal/Director

WILLOW STREET CAMPUS
