

IDs and Security Badges

Students are issued a security badge for access between Bright Horizons Early Learning Center and the Mount Joy Campus building. Students are responsible for always maintaining possession and proper use of the badge. This badge is required for authorized movement between the two locations and must not be shared or misused. Badges will be stored in the Early Childhood Education classroom in order to increase security and reduce the likelihood of lost/misplaced badges. In the event the badge is lost or misplaced, the student must notify their instructor **immediately** so appropriate security measures can be taken.

A replacement fee of \$25.00 will be assessed for any lost or unreturned badge.

Student Signature (indicating receipt and understanding of policy):

Signature: _____ Date: _____

Parent Signature (indicating understanding of policy and financial responsibility):

Signature: _____ Date: _____
